Dear Mom and Dad,

I want to express my gratitude to you for getting me started out right in the world and giving me a push when I needed it.

Anytime I made a mistake; you good-heartedly told me to try again until it was done correctly.

You have taught me how to think clearly and I intend to use that ability to do things well and to make you proud of me.

Love always,

A black and white photograph of two young women in graduation attire. They are both wearing white caps and gowns with dark stoles. The woman on the left is smiling and has her hands resting on the top of a dark, tufted chair. The woman on the right is also smiling and has her hands resting on the same chair. The background is dark and out of focus.

Elaine,  
Well, I guess this is  
it for us! I can't hardly  
believe this is our last  
year in this prison. It  
seems like I just met  
you yesterday. You have  
really been a great friend  
and listener. Somehow when  
I'm feeling down, you always  
know how to make me smile.

I hope you stay as sweet and  
nice as you are now, and you'll  
go far in life. I wish you  
the best of luck through  
the years. (Go for it AND get it done!)  
Don't forget me this summer!

Love  
and  
Friends,  
Peggy

years we've known  
each other and thank  
you for being there when  
I need you.
